

the complete circle skirt cheat sheet

mabey she made it

Circle skirts are so easy to make, but figuring out the radius you need to cut the waist is the worst part. So I've taken all the work out of it for you.

Just look below to find your waist measurement and the across to the type of circle skirt you want to –I've calculated the radius you need to cut from baby to adult sizes.

Waist Measurement	Full Circle Skirt Radius (in.)	$\frac{3}{4}$ Circle Skirt Radius (in.)	Half Circle Skirt Radius (in.)	$\frac{1}{4}$ Circle Skirt Radius (in.)
